Sorry [Redacted] meant for [Redacted]

[Redacted]

9:19 AM

[Redacted] is up in the canyon. I will be assisting starting tomorrow. This morning I heard 100 acres moderate rate of spread. Transmission lines were going to be threaten per IC at 0530. I know they put in a pretty big order for resources. A lot of crews and dozers air attack put in big air resource also.
